women die of
heart disease

80%

of heart disease
can be prevented

Support the heart health of your employees and friends with this free and easy educational series.

1. Register your business or organization to receive three electronic newsletters throughout the week containing crucial women's heart health information.
2. On Friday, February 3, participate in National Wear Red Day. Join us at Skyline for a heart-healthy reception or consider hosting your own.
3. Send us a photo of your group wearing red on February 3. You'll be entered into a drawing for heart healthy prizes!

***Let's unite
to raise
awareness of
heart disease.***
